

**Topic Name: Going 'Green' at Home**

**Idea Title: Litter pick up**

Idea Detail: I spend a lot of time in our public spaces and notice a great deal of trash/liter laying about. I pick of the litter daily, and sometimes I have to carry it for a half mile before I can find a trash can to throw it away. Litter devalues neighborhoods, and encouraging community clean-ups should be a higher priority in Rockville. Perhaps monthly or quarterly litter pick up through out Rockville would help, as well as targeting high traffic areas, like around the metro stops, parks, and schools.

**Idea Title: Collect your own leaves to use as mulch.**

Idea Detail: Use the leaves to mulch garden beds and slowly build soil which conserves water, packaging and gas.

Comment 1: Alice, I don't believe there are currently Ride-On routes on Darnestown, Dundee or Glenora? The closest route I can see is Wootton Parkway (#45/#56) and Hurley Avenue (#45). As these are County bus routes, one option you might have is to call 311 to make a request to study a new bus line on these roads. I will also pass your idea on to our Transportation staff for their future discussions with the County. Thanks for sharing! | By Clark L
